Where the applicant has not yet arrived in Australia, the interview can take place via Skype.

7. Language, Literacy & Numeracy Assessment

LLN assessment will be implemented by ZOI Education on VET courses and students. Assessment of VET courses will identify the learning, reading, writing, oral communication and numeracy skills required by the VET sector for successful study and the relevant industry requirements. LLN test will also be used as one of ZOI Education's benchmarks to identify students at risk during the recruitment, admission and progression of the course.

The assessment will be used as a tool so students can self-identify their language, literacy and numeracy skills, strengths and weakness and compare their results with the Training Package LLN requirement established by the College. Self-evaluation aims to increase student engagement and ownership of their learning. Whilst this

is not a compulsory requirement for recruitment and admission, early assessment will allow students to identify if they meet the LLN levels in their enrolled qualification. As adult learners it will be the responsibility of the student who self identifies as not meeting the LLN levels in their enrolled qualification to seek assistance. ZOI Education will, for those students not meeting the LLN levels of their enrolled qualification, identify them as 'at risk'. At risk students are those that are at jeopardy of not successfully completing the qualification in the predicted timeframes (see Student at Risk Policy – VET).

ZOI Education will not be excluded 'at risk' students from the course but offer support so the student will be able to complete their enrolled course:

- a. Offshore: Applicants who are applying from offshore and have not received visa
Online Interview must be conducted, and interview contents must be recorded in writing and digitally.
- b. Students will not be charged a fee to sit the assessment.
- c. Package Course: Applicants who have received letter of offer from an English Language Centre (ELC) prior to ZOI Education's course commencement
Applicants must provide a certificate from ELC to demonstrate the English Proficiency. The interview is to be conducted by Marketing & Sales Team prior to the commencement. Should the English Proficient deem to be insufficient, applicants will be led to take LLN Test. LLN test must be specified in the conditional offer letter.
- d. Transfer students: Applicants who have undertaken course(s) with another provider and wish to transfer to ZOI Education
Marketing & Sales Team must conduct selection interview as part of application process. Should the English Proficient deem to be insufficient, applicants will be led to take LLN Test. If candidates do not have the interview with Marketing & Sales, LLN test is to be taken within 30 days.
- e. Onshore Applicants: Applicants who have a valid visa and are not transferring from another provider.

Marketing & Sales Team must conduct selection interview as part of application process. Should the English Proficient deem to be insufficient, applicants will be led to take LLN Test. If candidates do not have the interview with Marketing & Sales, LLN test is to be taken within 30 days.

If a student is undertaking LLN assessment to meet entry requirements, the following levels must be met (dependent on course of study):

Certificate III in Early childhood Education and Care (CHC30113)

- Achievement of competency in Exit Level 2 score and working at Level 3 within the Australian Core Skills Framework assessments

ZOI Education will only issue a Confirmation of Enrolment (CoE) once these tasks have been completed (see Criteria 6-8 below). A CoE is required by the Department of Immigration & Border Protection (DIBP) before they will grant a visa to study in Australia.

9. Payment of the Tuition Fees for Intake 1 (Initial Tuition Fee) is required prior to the processing of enrolment. Tuition fees for each subsequent intake are due two weeks prior to the commencement of the new intake ie. Intake 2 fees are due two weeks before the Commencement Date for intake 2.
10. Australian Government regulations require all international students to have Overseas Students Health Cover (OSHC) for their period of time in Australia. A CoE will not be issued by ZOI Education until evidence is provided that Overseas Students Health Cover has been obtained.

Before enrolment is finalised by ZOI Education, all international students must be in possession of the appropriate student visa as issued by DIBP and have provided a copy to the Office of the Registrar for the student file.

To apply to enroll on a course, candidates must complete an *Application form*. This form can be obtained by contacting ZOI Education head office. UNIQUE STUDENT IDENTIFIER (USI)

A Unique Student Identifier (USI) is a reference number made up of numbers and letters that creates a lifetime record for an individual of all the nationally recognized training that has been completed. Under the Unique Student Identifiers Act 2014, all RTOs must ensure they have a valid USI for any student that enrolls in nationally recognised training from 2015. This means that as a student you must provide us with your USI.

To create your own USI, please visit: <http://www.usi.gov.au/Students/Pages/default.aspx>

If you need help doing this you can ask for help from our Student Support.

We are unable to issue a qualification or a statement of attainment unless we have a valid USI.

NOTE: The USI is different from the Student Number you will receive from ZOI Education, detailed on your student card.

Visas

Once you receive your electronic Confirmation of Enrolment (eCoE), you will need to apply for your visa with the Department of Home Affairs. Information about applying for a visa can be found at:

Arranging Travel and Documents to Bring

Costs of travelling to Australia are not included in your course fees and you will need to arrange and pay for your travel to Australia. You should plan to arrive in Melbourne at least 2 weeks before your course orientation in order to give you time to settle in.

The nearest airport for you to arrive at is Melbourne Airport, Tullamarine, Victoria.

You will need to prepare a folder of official documents to bring with you to Australia including:

- Valid passport including a valid student visa
- Your Confirmation of Enrolment (eCoE)
- Insurance policies
- Original or certified copies of documents such as your birth certificate, medical records and educational qualifications as advised by ZOI Education at the time of confirmation of enrolment

If you are travelling with your family, you will need to include their documents as well. Keep all documents in your carry-on luggage. In case you lose the originals, we recommend that you make copies of all your travelling documents that can be left behind with family, and sent to you if required.

Entry into Australia

When you arrive in Australia, you will need to show your passport and incoming passenger card at a Customs and Immigration checkpoint. You may be asked questions about your stay before your passport is stamped and handed back to you.

Once you have passed through the Immigration checkpoint, you should collect your bags ensuring that you check your baggage and check that nothing is missing or damaged. If something is missing or you notice damage, go to the baggage counter and advise them of your problem. Staff at the “Lost Property” counter within the airport will help you find missing baggage or lodge a claim for damage to your belongings.

Once you have your luggage you will go through customs where your luggage may be checked. Australia has strict quarantine laws to stop people from bringing in certain food and plant items. You should declare any items that you are bringing in on the form given to you on the airplane. If customs officers decide that the item you are bringing in are not safe, they will be confiscated and destroyed. If you fail to declare or dispose of any quarantine items, or make a false declaration, you may receive a fine or be prosecuted. All international mail is also screened and checked by customs.

For further information, visit www.australia.gov.au and select the Passports and Travel option.

Arriving in Australia

Travelling from Melbourne Airport to your accommodation

Airport buses: <https://www.ptv.vic.gov.au/getting-around/airport-buses/>

Taxis: <http://melbourneairport.com.au/to-from-the-airport/taxis/overview.html>

Keeping in contact

Before you leave home, you should provide your family and friends, Educational Agents and Course Provider in Australia, with details of your flights to Australia and where you will be staying when you arrive. (Do not change these details without informing them). Once you have arrived in Australia, you should then let your family and friends know that you have arrived safely. For safety reasons, always inform your family members where you are.

Arranging your finances

The currency of Australia is the Australian Dollar (AUD\$). Ideally, you should change your money into Australian dollars before you arrive but if you haven't you will need to change some money once you land in Australia. There are money exchange facilities within the airport for you to use.

Once you have arrived into Melbourne you can also change more money into Australian dollars at any bank or currency exchange facility. Note, that opens on Saturday for limited services and regular transactions

You should not carry large sums of money with you and it is best to only have the money that you will need for the first few days and then arrange to have the rest of the funds transferred to you in Australia.

The amount you will need to bring with you will depend on whether you have already paid for your accommodation before you arrive. Think about how much money you will need to last you for a couple of weeks.

Health

Emergencies

For emergencies such as fire, ambulance or police, call 000. When you dial 000, you will be asked whether you want you wish to be directed to fire brigade, paramedics/ambulance or police services. You will also be asked for your name and address and telephone number.

Australia police protect people and properties, detect and prevent crime, and preserve peace for everyone. They are not connected to the military or politics. The police can help you feel safe.

Phone: 000

Fire

The fire brigade extinguishes fires, rescues people from fires in cars and buildings, and helps in situations where gas or chemicals become a danger. As soon as a fire starts call 000 no matter how small or large the fire may be.

Phone: 000

Ambulance

Ambulances provide immediate medical attention in an emergency and emergency transportation to hospital. To access an ambulance, call 000.

Phone: 000

Medical assistance

Emergency medical treatment is available 24 hours a day at the emergency or casualty department of a public hospital, or at some medical centres. Public and private hospitals are listed in the White Pages telephone directory under 'Hospitals' and you can also find them by searching on the internet. If you need to go to hospital, remember to bring your health insurance card and any medicines you are currently taking. For anything other than an emergency, seek medical help from a general practitioner (GP) or local medical centre.

(Hospital contact details near our campus are listed in the Hospitals section of this handbook).

Overseas Student Health Cover

Australia has a special system of health cover for international students called Overseas Student Health Cover (OSHC). You will need to arrange OSHC before you come to Australia to cover you for your entire stay in Australia. The Department of Immigration and Citizenship requires you to maintain OSHC for the duration of your time on a student visa in Australia.

You can choose to take out OSHC with a provider recommended by us, or with the Australian OSHC provider of your choice. There are five providers of OSHC in Australia. Visit these websites to find detailed information on what they cover and to decide which provider is right for you:

- Australian Health Management OSHC www.ahmoshc.com
- BUPA Australia www.overseasstudenthealth.com
- Medibank Private www.medibank.com.au/Client/StaticPages/OSHCHome.aspx
- OSHC World care www.oshcallianzassistance.com.au
- NIB OSHC www.nib.com.au/overseas-students

Your OSHC will help you pay for any medical or hospital care you may need while you're studying in Australia, and it will contribute towards the cost of most prescription medicines, and an ambulance in an emergency.

For more information on what your OSHC insurance covers, as well as what to do if you need treatment, refer to the Department of Health and Ageing's (DoHA) [Frequently Asked Questions](#).

OSHC does not cover dental, optical or physiotherapy. If you want to be covered for these treatments you will need to buy additional private health insurance, such as:

- Extra OSHC provided by some OSHC providers
- International travel insurance
- General treatment cover with any Australian private health insurer. You can find a list of these providers and search for the one that suits you best at www.privatehealth.gov.au or www.iselect.com.au.

Living Costs in Australia

Migration regulations in Australia require international students to show evidence that they can contribute to the cost of living and studying in Australia. This helps to ensure students are better able to make the most of their studies and have a safe and enjoyable experience in Australia.

While international students are able to supplement their income with money earned through part-time work in Australia, the 'living costs' requirement helps to support the success of students in their studies by ensuring that they don't have to rely on such work to meet all their expenses.

From 1 July 2012, the basic rate of living costs under the Migration regulations increased. Under these regulations' prospective student visa applicants and their family members must have access to the following funds to meet the living costs requirements:

- AUD\$18,610 a year for the main student
- AUD\$6,515 a year for the student's partner
- AUD\$3,720 a year for the student's first child
- AUD\$2,790 a year for every other child and where required

Students must demonstrate that the funds they are relying upon to meet the costs of studying in Australia will be genuinely available to them during their stay in Australia.

The figures above are indicative only and that costs can vary significantly depending on where you live in Australia. You should be prepared in case your living costs are greater than the indicated figures.

For more information visit the Department of Home Affairs website.

Budgeting

Once you've settled in, you should ideally work out a budget that covers costs including clothing, food, accommodation, transport and entertainment, travel costs and childcare, if applicable.

It is important to be aware of how much money you spend and where you are spending it. Adhering to a sensible and realistic budget will ensure that you maximise your available funds.

Read more about budgeting at <https://www.moneysmart.gov.au/>.

Working in Australia

As a student visa holder, you are allowed to work up to 40 hours a fortnight during term time and as many hours as you like during holidays. More detailed information is available at the Department of Home Affairs web site.

Fees and Refunds

Protection of fees paid in advance

ZOI Education protects the fees that are paid in advance by international students in the following manner:

- All course fees will be held in a separate bank account that can only be drawn down when the student commences. The course fees are held separately from the day-to-day operating expense accounts, so that if a refund is payable before the student commences, the refund can be made in full and in a timely way without impact on the financial operations of the business or recourse to the tuition protection system.
- ZOI Education does not require international students to pay more than 50% of course fees prior to course commencement. However, ZOI Education provides students with the opportunity to pay more than 50% of their tuition fees prior to course commencement if they wish. Where a student chooses not to pay more than 50% upfront, the remaining amount will be collected according to an agreed payment schedule. Note, however, that where a course is less than 25 weeks, ZOI Education will require students to pay the full cost of the course prior to course commencement.
- ZOI Education pays into the Tuition Protection Service (TPS) provided by the Australian Government. For more information visit: www.tps.gov.au.

Fees and refund information

Fees are due and payable at the commencement of each school term. A reminder email will be sent to all students before the due date.

For international students, fee information and any payment plans are always provided prior to enrolment as per the requirements of the ESOS National Code 2018. Fee information provided to international students includes:

- All relevant fee information, including fees that must be paid and payment terms
- Details of the potential for fees to change during the student's course as relevant
- Deposits and refund information and conditions relating to these
- The learner's rights as a consumer including any cooling off period

Fees will only be collected once a signed copy of the signed Student Agreement is received by ZOI Education.

Inclusions in course fees

Unless otherwise specified, course fees include all the training and assessment required for students to achieve the qualification or course in which they are enrolling. Course fees will clearly itemise tuition, as well as non-tuition fees.

- Course fees include one copy of the required textbooks and learning materials for each student. Any optional textbooks and materials that may be recommended but not required for a course, are not included in course fees and will be an additional cost should the student wish to purchase such materials. If textbooks are lost and need to be replaced, the student will be required to cover the cost of the replacement materials – the cost is outlined on the Student Agreement where applicable.
- Course fees include the issuance of a testamur and record of results and/or statement of attainment after Graduation. If these documents are required prior to Graduation a fee is applicable of \$50 for Testamur and \$30 Transcript. Also, for additional copies or re-issuing of any of these documents an additional fee is applicable. This fee is currently \$60 per document as well as an additional \$25 where international shipping is required.

- Course fees do not include Overseas Student Health Cover or optional extras such as airport pickups. These fees are at an additional cost.
- Course fees do not include the cost of the Work Placement Reference Letter. The fee for this is \$40.
- A fee of \$160.00 will incur when students fail to attend the agreed and scheduled First Aid training without the provision of evidence of extenuating circumstance.
- A fee of \$500.00 will be incurred when ZOI Education is required to re-book or rearrange work placement for a student. This can be for reasons such as the student taking unapproved leave during the Work Placement being scheduled, or when the student has the placement cancelled by the ELC for poor behaviour, or when a student fails the placement, etc.
- A fee of \$150.00 will be incurred when students fail to attend their scheduled Work placement visit without the provision of the following documents and notification to ZOI Education

Late payments and Extension

Students who require assistance seeking alternative arrangement for tuition payment are invited to contact ZOI administrative team

Students who are experiencing difficulty in paying their fees are invited to call our office to make alternative arrangements for payment during their period of difficulty. An extension of time to pay tuition fees is possible for continuing students only, who have extreme financial hardship and difficulty in meeting payment terms outlined in their fee statement. Students who meet the above criteria, must contact Student Services Coordinator or Administration department at ZOI Education before the due date for payment and advise their circumstances. An extension of time to pay is only available to students who can demonstrate financial hardship, or difficulty. It is not an alternative payment scheme.

A senior officer from ZOI Education Administration & Admission department, may determine after consideration of the submitted application that grounds for an extension exist and grant a short-term extension of up to twenty (10) working days.

Course Credit

A credit is formal recognition of the previous studies you have completed for the purpose of reducing the units or modules that you are required to complete in the course you are enrolled in with ZOI Education.

ZOI Education may grant credits towards a student's course for units of competency or modules that have already been completed with another RTO or authorised issuing organisation. ZOI can also grant Credit for subjects or units completed previously, where equivalence can be established between the unit/ module in the course, and the subject or unit that has been completed previously. There are no fees and charges for Credit Transfer applications.

To apply for Course credits students must complete a *Credit Application Form* and submit it as part of their enrolment application. Whilst a student can apply for Credit at any time, it is recommended they do as part of the enrolment process, so that Credits are known upfront and the student does not undertake training that they may be exempt from. No more than **50%** of the requirements for the award can be granted for a credit based and all supporting documentation must be written in English. Units to be credited are not completed more than ten (10) years from the date that Credit Transfer is requested. For studies completed ten (10) or more years ago, the student may be required to demonstrate that the content of the studies undertaken, has remained relevant and/or that he/she has kept abreast of developments in the field(s) covered by the studies, through continuing professional development, professional practice, or by some other means.

All Credit applications must include certified copies of transcripts from previous studies. Where required and at ZOI's discretion, additional information about a subject or unit previously studied may be requested, to determine unit equivalence. Credit applications may be returned or declined if all requested information is not provided.

In some cases, Credits may lead to a reduction in course fees, solely at ZOI's discretion, and this will be included in any subsequent letters of offer forwarded to the student.

Students will be advised in writing of the outcome of any Credit applications.

Recognition of Prior Learning

Recognition of Prior Learning (RPL) is a process where skills and knowledge that you have gained through work and life experience and other unrecognised training can be formally recognised.

ZOI Education has a structured RPL process to assist and support applicants wishing to take up this option. It is strongly recommended that applicants apply for RPL at the time of enrolment, however ZOI Education will accept RPL applications up to 10 (working days) into commencement of the course.

For RPL candidates, the first step is to contact their trainer/assessor or our office prior to course enrolment and initiate a conversation about whether or not RPL might be a suitable option. Suitability is often determined on how much experience one has accumulated in a commercial environment, work history and previous training. If RPL is deemed as a possibility for an applicant, you will be provided with guidelines that will assist you in working through each unit to determine relevant skills and experience and identify whether you would be able to provide the required evidence.

A trainer/assessor will be available to assist you throughout this process.

To apply for RPL, you will need to fill in a part of the kit and return it with an RPL Application Form and kit. Your application will then be assessed for suitability and you will then be contacted by an assessor to progress the RPL process.

From here, usually the RPL process involves gathering evidence to demonstrate skills, knowledge and experience, responding to questions, completing tasks and depending on the area, observation of your work skills in your workplace.

Fees are applicable for Recognition of Prior Learning as follows:

- \$200 Application fee upon submitting RPL Application form
- \$500 Per unit of competency that you are applying to RPL

Your RPL fees will be calculated based on the number of units you are applying for and there is also an application fee for each application. So please ensure you apply for all of your intended units together to avoid multiple application fees.

ZOI Education cannot guarantee that all units submitted for RPL will be recognised for any student, and results are dependent on the RPL assessment process and the evidence gathered and provided by the student.

For more information about applying for RPL, contact the head office.

Assessment

Your Course and Assessment

The training and assessment offered by ZOI Education focuses on providing you with knowledge and skills required to the standard of performance required in the workplace. This is known as competency-based training and assessment. Each of the components of your course represents a “unit of competency”. Related units are sometimes referred to as clusters, which could contain two or several units. You may either be studying one or a few units of competency or a set of units that make up a total qualification. Each unit of competency is linked to specific skills and knowledge required in the workplace such as communication or health and safety or qualification specific skills such as children’s health, wellbeing, and development.

Our course outlines include the details of how we deliver the training to you. This includes classroom-based training, as well as the assessment methods that will be used to assess whether you have reached the required standard of performance. Assessment methods vary depending on the course but usually include written and oral questions, written assignments, projects, and practical observations.

At the beginning of each unit or cluster, your assessor will go through the arrangements for assessment with you and you will be given all the details about the assessment requirements.

At this time, you will:

- Be provided with detailed assessment instructions for each task/requirement which includes the criteria that you will be assessed against.
- Be informed of relevant due dates or timing of assessments to be conducted

Your assessor will go through all the arrangements with you and answer any questions you have.

Submitting your assessments

You must submit written assessment tasks with a completed and signed Assessment Task Cover Sheet. The cover sheet requires you to make a declaration that the work is your own. Written tasks will not be accepted without a signed cover sheet. If your handwriting is not legible you will be asked to type your answers. In Diploma, typing your assessments for most of the Units/Clusters is expected.

Assessments can be submitted directly to your trainer/assessor or sent by registered mail to ZOI Education head office. You must keep a copy of all tasks that you submit as we are not able to return copies because we must keep them as evidence in your file. Additionally, we will not be held responsible for any items that go missing. If this occurs, you will be asked to re-submit the work. Assessments submitted and received after the due date or after the extended submission date will receive no mark(s) and result in NYS. Written work will be marked within 30 days of receipt. Your assessor will provide you with written feedback and confirm the outcome of the task on the Task Cover Sheet.

Assessment outcomes

Each assessment task will be given an outcome of either Satisfactory (S) or Not Yet Satisfactory (NYS). You must complete all tasks for a unit satisfactorily to achieve an overall outcome of Competent (20) for a unit. If one or more of your tasks are assessed as Not Yet Satisfactory, you will be given an overall outcome for the unit of Not Yet Competent (30). You can have 2 further attempts to complete the task and achieve a Satisfactory outcome. You will be given a timeframe for your resubmission and advised what you must include in your re-submission.

If after the second attempt, you are still assessed as Not Satisfactory for a task, you will need to complete additional training and assessments for the intake that you have been deemed “Not Yet Competent.” Request to re-enroll into additional intake to complete a “Not Yet Competent” Units will incur an additional fee of \$750.00 (per Unit). The student’s will receive additional 12 weeks extension from the course end date as listed on their CoE.

Please note, extensions of CoE may result in request to extend the student’s current visa; and therefore, the student requires to lodge a Student Visa extension from the Department of Home Affairs.

Reasonable adjustment in assessment

Some students may need modifications to assessments due to disability, illness or special considerations – this is called reasonable adjustment.

Reasonable adjustment can involve:

- Making training and assessment resources and methods more accessible e.g. providing learner workbooks in an audio format or on different coloured paper
- Adapting physical facilities, environment and/or equipment e.g. setting up hearing loops
- Making changes to the assessment arrangements e.g. more time allowed for assessments
- Making changes to the way evidence for assessment is gathered e.g. written questions asked orally

Please speak to your assessor if you think that you may need an adjustment made. Note these adjustments are made at the discretion of your assessor based on your identified needs.

Additional Charge

- The additional fee incurs if students do not participate in course activities without any proof of extenuating circumstance, which contributed to NYC outcome.
 - Adjusting timetable \$750 per Unit.
 - Work Placement Re-booking/re-assessment fee \$500

Appealing assessment decisions

If you do not agree with any assessment decision, you can lodge an assessment appeal. Please refer to the Complaints and Appeals section in this handbook for information about how to lodge an appeal.

MAINTAINING YOUR ENROLMENT AND COURSE PROGRESS

You must meet course progress requirements to satisfy the conditions of your visa. These course progress requirements will be clearly explained to you during the orientation program.

ZOI Education will assist you to meet course progress requirements by monitoring your progress and providing you with the relevant support at an early stage. We can provide you with a range of support from extra time to complete tasks or a reduced study load to study skills programs. If after providing you with this support, you do not meet course progress requirements, you will be issued with a first warning letter stating that your course progress is unsatisfactory and inviting you to a meeting to discuss further support. Following the provision of this support, if your progress is still unsatisfactory, you will be sent a second warning letter and again inviting you to a meeting to discuss why you are not meeting satisfactory course progress requirements and to discuss new or revised support arrangements.

Where you continue not to meet course progress requirements in two consecutive study periods, you will be reported to the Department of Home Affairs for not meeting course progress requirements. The Department of Home Affairs will make the final decision on whether your visa will be cancelled because of your unsatisfactory course progress.

You may appeal ZOI's decision to report you to Department of Home Affairs. However, an appeal will only be considered if ZOI Education has not recorded or calculated the student's marks correctly, has not provided appropriate support as set out in this policy, has not implemented other policies such as assessment and feedback which could impact on the student's results or there are compassionate or compelling reasons which have contributed to the unsatisfactory progress. Circumstances that are considered compassionate or compelling circumstances include (but are not limited to):

- Serious illness or injury, where a medical certificate states that the student was unable to attend classes
- Bereavement of close family members such as parents or grandparents
- Major political upheaval or natural disaster in the home country requiring emergency travel and this has impacted on the student's studies
- A traumatic experience which has impacted on the student and which could include involvement in or witnessing of a serious accident or crime, supported by police or psychologists' reports
- Where ZOI Education is unable to offer a pre-requisite unit
- Where the student is unable to begin studying on the course commencement date due to delay in receiving a student visa
- Where a student's study load is reduced due to difficulties with meeting course progress requirements, resulting in undertaking additional subjects in future sessions to complete the course in the time specified on the student visa

ATTENDANCE

As well as meeting course progress requirements, you must also meet attendance requirements as part of your visa conditions. It is expected that you will attend all scheduled classes and work placement shifts (if part of your course), however, we understand that in some cases you may not be able to get to every session because of your personal circumstances such as illness or family matters. To maintain satisfactory attendance, you must attend at least 80% of your classes and work placement shifts (if part of your course).

Where you are at risk of not meeting attendance requirements, we will contact you to arrange a meeting to discuss your attendance and any support we can offer you to meet requirements. Once the process for

warning you that you are not meeting attendance requirements and we have provided you with assistance, if you do not or cannot meet attendance requirements, we will be required to report you to Department of Home Affairs. Department of Home Affairs will make the final decision on whether your visa will be cancelled because of your unsatisfactory attendance.

You may not be reported in the case of compassionate or compelling circumstance i.e. those beyond your control and which have an impact on your course progress or wellbeing (*see course progress requirements for details of compassionate and compelling circumstances*).

4. The restriction to not enroll transferring students also applies to any prerequisite courses in a package of courses.
5. Students may transfer to another registered provider before they have completed six months of their course or at least 2 study periods. The circumstances in which a transfer will be granted include:

 - offers the student access to greater support either through services offered by another registered provider, commercial or non-profit services or through access to family, friends or a cultural support network
 - The student claims or can provide evidence that his or her reasonable expectations about the current course are not being met

In this case, the student will be requested to wait a further 4 weeks before applying for a transfer to another registered during which time the full range of support services will be provided to the student
 - The student is trying to avoid being reported to Department of Home Affairs for failure to meet the provider's attendance or academic progress requirements.

7. All decisions made by ZOI Education with regard to a student's requests to transfer to another provider will be fair and consider the student's individual circumstances and any other relevant factors.
8. In order for a request for transfer to be considered and a letter of release provided, students must provide a letter of offer from another registered provider confirming that a valid offer of enrolment has been made.
9. A letter of release will always be granted where a student has provided evidence that he or she was misled by ZOI Education or migration agent regarding the provider or its course which is in breach of the ESOS Act.
10. The outcome of the student's application for course transfer will be provided in writing within 10 working days of receipt of application.
11. There is no cost in providing students with a letter of release. However, where a student transfers to another registered provider, any refund of course fees paid will be in accordance with ZOI Education's Fees and Refunds Policy and Procedure.
12. Students who are granted a letter of release must contact Department of Home Affairs to seek advice on whether a new visa is required. To find out more about visa requirements, students should call Department of Home Affairs on 131881 or visit [the](#) Home Affairs website.
13. Information about course transfers is provided to students in the International Student Handbook and Course Guides which are provided to students prior to or upon commencement of a course. These are also available on ZOI Education's website.
14. Where the decision is made to refuse a student or ZOI Education does not respond to the request in the timeframe set out in this Policy, the student may appeal against the decision by accessing ZOI Education Complaints and Appeals process within 20 days. If the appeal finds in favour of a student wishing to transfer, a letter of release will be granted.
15. All records relating to course transfers will be kept on each respective student's file.

The circumstances listed are example of what may be considered compassionate or compelling circumstances and each case will be assessed on its individual merits.
2. When determining whether compassionate or compelling circumstances exist, ZOI Education considers documentary evidence provided to support the claim, and stores copies of these documents in the student's file.
3. A retrospective deferment or suspension may be justified if the student was unable to contact ZOI Education because of a circumstance such as being involved in a car accident.
4. Where a student has initiated deferral of enrolment and his/her request is granted, ZOI Education will defer an enrolment for an agreed period of time - to a maximum of 12 months. If the deferral is required for longer than 12 months, the student's application will be re-assessed. If the deferral period has expired and the student does not return, the student's enrolment will be cancelled. ZOI Education will require to collect academic and medical evidence to justify student's request for suspending and/or deferring their course.
5. Where a student has initiated suspension of studies and his/her request is granted, ZOI Education will suspend an enrolment for an agreed period of time – to a maximum of 6 months. 1. Deferment, suspension or cancellation of studies may affect the student's visa. When a student's enrolment is deferred, suspended or cancelled, ZOI Education will notify DET via PRISMS of the change in enrolment status.
2. Where a student accesses the Complaints and Appeals process, ZOI Education will not notify DET via PRISMS until the internal appeals process is complete. Where the student chooses to access an external appeals process, DET will still be notified via PRISMS.
3. Students are referred to the Department of Home Affairs web site (<http://www.immi.gov.au/>) or Helpline (131 881) for information and their local Department of Home Affairs office for advice on how the potential change to enrolment status may impact upon his or her visa.
4. Once the provider notifies the Department of Education (and therefore DIBP) through PRISMS of the cancellation of the student's enrolment, the student will have 28 days to enrol in an alternative course (in order to satisfy student visa condition 8202) or to return to his or her home country. A breach of student visa condition 8202 may result in cancellation of the student's visa. Student will have access to an external appeals process.
5. Regardless of whether the suspension of enrolment is the result of a student request for suspension or a suspension imposed by ZOI Education, the period of suspension of enrolment (as entered in PRISMS) will not be included in attendance monitoring calculations.

6. Where ZOI Education initiates the suspension or cancellation of a student's enrolment, the student will be notified of this intention and will be informed that they have 20 working days to access ZOI Education's Complaints and Appeals Policy and Procedure, unless extenuating circumstances relating to the welfare of the student apply. Such circumstances may include where the student refuses to maintain approved care arrangements (only for students under 18 years of age), is missing; has medical concerns, severe depression or psychological issues which lead the provider to fear for the student's wellbeing; has engaged or threatens to engage in behaviour that is reasonably believed to endanger the student or others; or is at risk of committing a criminal offence.
7. Students may choose to access an external appeal process as per ZOI Education's Complaints and Appeals Policy and Procedure. In the case of an external appeal, ZOI Education is not required to wait for the outcome of the external appeal before notifying Department of Home Affairs of the change to the student's enrolment status.
8. In relation to suspension, ZOI Education will continue to provide learning opportunities to students during the appeals process. However, where it is considered that a student should not attend classes during the appeals process, students will be provided with work that can be completed outside of the classroom environment.
9. ZOI Education provides information about its Deferral, Suspension and Cancellation Policy and Procedure on the above in the International Student Handbook and at orientation.
10. Student may access all relevant forms for deferral or suspension through ZOI Education web site or by direct request.
11. Standards of behaviour required are outlined in the International Student Handbook.
12. Appropriate records of the assessment of the student's application for deferment, suspension or cancellation will be kept on the student's file. Where a student is suspended or their enrolment cancelled due to misbehaviour, documentary evidence of this decision will also be kept.

CHANGE IN VISA STATUS

Deferment, suspension or cancellation of a student's visa may affect the student's visa. When a student's enrolment is deferred, suspended or cancelled, ZOI Education will notify the Department of Education and Training via the Provider Registration and International Student Management System (PRISMS) of the change in enrolment status.

Students are to refer to the Department of Home Affairs <https://www.homeaffairs.gov.au/> or by calling its helpline on (131 881) for information and their local Department of Home Affairs office for advice on how the potential change to enrolment status may impact upon his or her visa.

Regardless of whether the suspension of enrolment is the result of a student request for suspension or a suspension imposed by ZOI Education, the period of suspension of enrolment (as entered in PRISMS) will not be included in attendance monitoring calculations.

Where a suspension of enrolment is granted, ZOI Education will suspend an enrolment for an agreed period of time - to a maximum of 12 months. If the suspension is required for longer than 12 months the student shall have to re-apply once the initial suspension period has expired

If a student's enrolment is suspended for a period of 28 days or longer, the student must return home (unless special circumstances exist). Students will be referred to Department of Home Affairs via the Department of Home Affairs helpline on 131 881 regarding whether they may remain in Australia during a period of suspension of enrolment.

ZOI Education will always use its professional judgement to assess each student's case on its individual merits when determining whether compassionate or compelling circumstances exist.

In cases, where a student's enrolment is cancelled, the student must leave Australia, obtain enrolment in an alternative course or apply for a different visa within 28 days of cessation. If the student leaves Australia, the student's visa will be cancelled. A student who has left Australia and wishes to return to his or her studies must apply for a new student visa.
